

Is this a **BIG DEAL**?

How am I **feeling**?

HOT

When someone:

- Hits you
- Threatens you
- Bullies you

- I feel angry!

I need help to solve this problem.

**REPORT TO AN ADULT,
NOT HURT THE PERSON.**

WARM

When someone:

- Bumps into you on purpose
- Keeps making mean faces at you
- Says mean things to you

- I feel sad!

I need to solve this problem.

TALK IT OUT

COOL

When someone:

- Accidentally bumps into you
- Makes a silly face at you

- I feel annoyed!

I can solve this problem.

**IGNORE IT,
SAY "STOP"**
